

## Eugene Halliday in a Nutshell

3 Reasons as to why he is worth considering. <eugenehalliday.com>

### 1 Vocabulary and analysis of words and concepts via their root meanings.

[Table of Language roots from R Bucke, *Cosmic Consciousness* 1901]

**Vox** – L *uox*, the voice, sounds made by the voice, esp words, . . . Medieval Latin *vox*, acc *vocem* yields Old French, Mid French *vois*, Mid English *vois* or *voys*, later *voice* . . . uocare – to name (apply a sound to). uociferari – to cry out (make a voice)

Gives - to vouch, vouchsafe, vowel, avowel, to vow, equivocate, vocation, invoke, evoke, provoke- provocation, convoke, advoke (advocate), vociferate, , revoke – irrevocate, irrevocable, vocalise – vocalist, plurivocal, semivocal, univocal.

Sanskrit **vak**, Av **vaxs**, O Gmc **wah**, Hit **wek** (I ask)

**2 Reasoned Examination of Ideas.** The logicity of his ideas is apparent in every talk, and the steps are clearly stated.

**3 Witness.** Halliday was a North of England man and his anecdotes and language are ours. And he is nearly contemporary, so that how he lived his life and the nature of his temperament and situation can be attested by those who knew him directly.
